The price for 50 kits is \$292.00 each.

The price for 100 kits is \$274.00 each.

In the event that you desire any of these kits to be furnished without packaging in typewriter cases, the price will be \$10.00 less than that quoted above. The typewriter cases utilized in the assembly will be furnished by your organization.

3. These items can be shipped by the 15th of February 1960 providing authority is given to order the plastic films by 25 November 1959. It is necessary to place an order for this material at this early date in order to assure delivery from Eastman Kodak by the end of December. Our printer must commence the printing operations by 2 January 1960 in order to meet your delivery requirements. The prices quoted ^{are} F.O.B. Washington, D.C., and include shipment by surface freight. Shipment by air will be accomplished at an increase in cost which shall be calculated at the difference between air freight and motor truck rates.

4. We trust that the foregoing will enable you to have a purchase order issued and we thank you for the opportunity for quoting on your requirements.

Very truly yours,
